society, which many people still naively believe is Russian "Communism."

SUPPRESSION OF THE TRUTH

Why are patriotic American newspapers unable to print the truth about the *Pharisaic Conspiracy*? First, because all newspapers depend, for National and International news, on the Jewish-censored wire services. Second, in less than an hour after a paper telling the truth about the Jewish chicanery hits the street, raging representatives from the B'nai B'rith will have the luckless editor backed up in a corner threatening to withdraw permanently all Jewish advertising (most of the paper's revenue), cancel all Jewish subscriptions, cut off his supply of paper (they now have a monopoly on this item), deny him recourse to Jewish financing (which now enjoys a strangle-hold in an ever-increasing number of cities), and call a strike through Jewish-controlled labor unions. Any reporter who writes the truth about the Jews is fired and his story "killed."

LET US PREPARE OUR DEFENSES

Where, oh where, are our leaders to take us out of the impending Red Hell? All the well-known ones have been destroyed by the Jews, with the generous aid of countless Gentle trained stooges. If the White Gentiles are to save themselves from being herded to the slaughter like docile sheep the time is long overdue to organize for the fight against our real enemy.

Learn who our enemy is, and how he intends to make you fight for your own enslavement! Learn what is happening to our unhappy world. Subscribe to publications which will tell you the truth. See that the uncensored facts are spread far and wide. Contribute your time and your money generously to Patriotism — this is the only investment, the only charity now that counts!

When you become fully alerted to the awful danger descending upon us, you will want to join us in organizing secretly for the fight to decide whether or not we have the right to exist on this earth as *human beings*!

If we are so demoralized, so stupid, so de-

praved as not to care, then we shall pay the awful penalty against this most hideous crime against our forebearers and our posterity — our race of people will disappear from the earth!

If we can liberate our country from the deadly clutches of the Pharisaic vultures, Communism throughout the world will fall, along with its architects, like an over-ripe apple. The enemy capital for many years has been New York, not Moscow.

STOP JEWISH BARBARISM!

All through history the Jewish race has been known for its savage massacres. From the time of Ahabaerus through the present day the Jews have been directly responsible for the deaths of over 200,000,000 human beings, a great number of whom were Christians.

The combination of the evil Jewish mind and satanic Jewish "religion" makes the Jew a sadist by his very nature. He is not content unless he is inflicting misery, suffering and torment. The facts show that the most vicious atrocities against mankind have been committed by Jews. These statements are clearly documented in Arnold Leese's book, "Jewish Ritual Murder."

The Jew has never founded any civilization, though he has destroyed hundreds. He possesses nothing of his own creation to which he can point. Everything he has is stolen. Foreign people, foreign workmen build him his temples; it is foreigners who create and work for him; it is foreigners who shed their blood for him. He has no art of his own; bit by bit he has stolen it all from other peoples. He does not even know how to preserve the precious things others have created . . . In the last resort it is the Aryan alone who can form States and set them on their path to future greatness. All this the Jew cannot do. And because he cannot do it, therefore all his revolutions must be international. They must spread as a pestilence spreads. Already he has destroyed Russia; now it is the turn of Germany, and with his envious instinct for destruction he seeks to disintegrate the national spirit of the Germans and to pollute their blood."

ization is doomed to subjection by the unimaginative, complacent, docile coloreds, whom we could easily exterminate in toto if we so had a mind.

WHY?

Who has decreed that the greatest people in the world should just lie down and die? These questions have been seriously investigated by a dedicated and intelligent handful of inquisitive patriots who refuse to believe that they must submit without a fight to degradation, mongrelization, and slavery in its most hideous form.

The reasons behind all these illogical "bunglings" always stem ultimately from the same source, the fantastic conspiracy of an alien minority to persuade the rest of humanity to enslave and destroy each other! This exceedingly clever, diabolical scheme is rapidly approaching complete achievement, and YOU are in dire peril. THIS IS RACE WAR TO THE DEATH!

JEWISH RACIAL DISCRIMINATION

You are continuously cajoled that race is a myth, yet the Jewish Race who bombard you with this stupendous lie deny it in their every act! There has never in all history been such a bigoted, race-conscious group — their every act from cradle to grave is guided first, last and always to preserving and advancing the Jews at the expense of all others.

Do they integrate? Do they practice brotherhood toward you? Do they aid needy Gentiles with the fabulous tax-free donations to Jewish "charities"? What Jews do you know who are in need of charity? Their bureau of propaganda, the American Jewish Committee, and their secret police, the Anti-Defamation League, are they charities? Why are donations to their trouble-making, hatred and strife-creating NAACP permitted to go tax-free?

Did you know that the Jews have cold-bloodedly murdered since 1917 over a hundred million of the best non-Jews trapped in the clutches of their horrible Communism in order to deprive the enslaved Gentiles of all intelligence, all courage, all devotion, and all morality? Did you know they are openly

Who Is the Real Enemy?

The smug, self-satisfied American, constantly reminded of his million-dollar school buildings, deluged with literature and "information," ignorantly believes he knows what is happening in this crazy, mixed-up world in which we live today. The mysterious powers controlling this barrage of propaganda try to keep the American people occupied with sex, sports, and something-for-nothing, yet we see daily that some sinister invisible power is dragging our great nation down, down, down.

IS EVERYTHING ALL RIGHT?

While we are taxed as no other people in history, we are daily reminded how virtuous we are to submit to this ever-increasing legal robbery. We see our bankrupt Federal Government generously handing out lavish gifts and vast domestic subsidies, which seem to create only further excuses to justify more and more crushing taxation and Federal seizure of all power.

We have been forced to fight three bloody wars for which our nation gained nothing but gigantic debts and victory for World Communism. We are being mysteriously conquered by the Illuminati House-of-cards, that is struggling desperately just to maintain its frightful oppression over some billion most unwilling subjects, who could be easily aided to overthrow their hated Red Masters. Yet our government squanders the fabulous monies, which it extracts from us in the name of defense, only to aid Communism to swallow the world!

We are daily subjected to movies, television programs, and literature that continuously belittle the strong, intelligent White Man and glorify the weak, the effeminate, and depraved, the Jew, and the Negro.

We are frequently told that the magnificent White Race that created modern civil-

discussing forced mixed marriages (White-Negro)!

Has it ever occurred to you that the Jews fumed and breathed fire and hatred about their Nazi "exterminators" and pushed us into total war to make the world safe for the Jews, yet to your knowledge not one of the many Jews you know ever joined in the bloody fighting against their alleged "liquidators"?

How could the Jews almost to a man escape front-line duty? What mysterious power effected this outrage against the Gentiles? Have you ever stopped to wonder? And while you and your kind were suffering and dying, millions of Jewish "refugees" (invaders) poured into this country as though no immigration laws existed, while Gentiles found it almost impossible to come to America. While you fought and bled, the Jews bilked our people out of billions of dollars in crooked war contracts, their "sacrifice on the Home Front"!

THE ROLE OF THE NEGRO

Although the Jews publicly pretend to be champions for the Negro, you should know that they try hard to conceal the fact that they despise the Negro as much as they despise us. Why this sudden interest in the Negro? Because they find the Negro a most useful tool to destroy us. The childish Africans are even more susceptible to their brain-scrambling propaganda than you are, and are completely incapable of leadership.

They are using the Negro for two purposes: to degrade, corrupt, and mongrelize you and your children, and to form a trained-ape Red MauMau Army to protect the Jews in case you wake up before it is too late. They are establishing a cordon of Negro zombies to protect them in Washington, the center of government, and in New York, the center of world Jewry, just in case we wake up before they take our guns away from us.

THE END OF THE WHITE RACE?

The Jews repeat daily that the White Race is on the road to oblivion — that the black savages of Africa, and the pitiful masses of India and China will do away with the White

Man — and you meekly believe it, for no one has ever told you the truth! The time has come to assess the situation honestly!

The European Whites became the dominant force of man because our leaders possessed the intelligence, the imagination, the courage, the energy, the morality to seize destiny in their own hands. Now that we have built a wonderful new world, shall we meekly permit a small band of effeminate pirates to despoil and destroy us? It seems inconceivable, but that is exactly what is happening!

THE ACHIEVEMENTS OF THE MODERN WHITE MAN

The people originating in the island of Great Britain have, with invaluable contributions by the other White Men of European origin, created modern civilization. The Negroes have always been completely incapable of contributing to civilization. The Asiatics almost ceased contributing nearly a thousand years ago. The Jews have contributed only microscopically, despite their fictitious claims.

Einstein and Freud, their most publicized "scientists" were highly imaginative speculators who have contributed more confusion to the orderly progress of science than they have useful knowledge. Salk, after being subsidized extravagantly by the Jewish-controlled Polio Fund, has produced a vaccine of questionable value. Yet the Jewish-controlled Press hails them as the greatest scientific geniuses in history.

You poor vilified Anglo-Saxon and Celt, the Jews have yet to produce a Newton, a Dalton, a Darwin, a Lister, a Watt, a Bell, a George Stephenson, a Fulton an Edison, or any Wright brothers. And you good Christians whose forebearers came from the European continent, the Jews have yet to produce a Herschel, a Pasteur, an Arrhenius, a Lavoisier, a Gutenberg, a Galileo, a Leeuwenhoek, or a Marconi. If the Jews are so smart, then why have they not been able to contribute more to modern civilization?

SPECIALIZED PARASITES

A Jew from tender age is trained to be a parasite, a despoiler, and an exploiter of men. He is a specialist in deceit, in trickery,

in exploitation of the "stupid Gentile". Elias Howe devised the sewing machine, but Isaac Singer robbed him of his invention and pocketed millions. Hazel Bishop developed an improved lipstick, but her Jewish "partner" pirated it away from her by tricking her into signing a fraudulent assignment and is making millions. Daguerre, Eastman, Edison and other White Gentiles combined inventions to make the motion picture possible, but a clique of Jewish financiers now own the movie industry, into which so many billions of dollars pour.

The Jews use code words so they can talk freely in front of "stupid Gentiles" without letting their intended victim know their intentions. Taking the Biblical story of how Jacob defrauded Esau out of his birthright, they brag that they are the dishonest Jacob (The Voice) and we are the defrauded Esau (The Hand)!

HOW ARE THEY DOING IT?

The Jews long conspired on the principle that through control of the purse they could rule the world, but to their sorrow they learned that after they had bought control in a country, its infuriated king would forcibly eject the unwelcome "vermin". So the Jews conspired to remove the rulers of all countries and turn government over to the brainless mob, which the conspirators found much easier to dupe, (Democracy).

At a meeting in 1870 Jewish leaders decided that, since they were always expelled when the Gentiles realized what happened, they must keep their victims in complete ignorance of what was happening — the Jews must gain absolute control of the Press!

CONTROL OF THE PRESS

With their unquestioned domination of European finance they readily accomplished this goal in Europe. Next they invaded the United States, since this country by then had been made safe and comfortable, and they set to work like termites to undermine us.

As we developed such new media of communication as radio, motion pictures, and television, the Jews stepped in with their su-

perior financing, their ruthless piracy, and Jewish discipline (they are ruled with an iron hand) and took possession of all means of mass communication. They proceeded in deadly earnest to scramble our brains, corrupt our morals, and prepare us for slavery.

CREATED DEPRESSION TO SEIZE POWER

Through their complete dominance of "Wall Street" they broke the stock market in October, 1929, by unloading their vast holdings of stocks and bonds. By withholding billions of dollars from circulation, they threw the economy of this country into utter chaos. As they have done often, they created a disaster and then obligingly offered to save us — for a price — the price of our Constitutional Government, which they have completely destroyed.

"Miracle-man" Roosevelt was actually an arrogant front-man, who was obliged to have Sam Rosenman even write his speeches and who, following the orders of his Jewish bosses (Bernard Baruch, Sidney Hillman, Felix Frankfurter, Henry Morgenthau), convinced us that we could no longer take care of ourselves. We have now been degraded to a dispicable caricature of our strong, brave, self-reliant, thrifty, moral ancestors. Be honest with yourself, are we not?

INVISIBLE ENEMY

We are taxed far past the point where all other people of the world have revolted! And we raise not a finger, because we do not even know against whom to revolt! We let the Jews slander, ridicule, and vilify us daily, while we are not even allowed to hint that any Jew could possibly do wrong. Has any Jew ever been sent to the penitentiary for the billions of dollars of income taxes we know they have evaded?

We let the Jew destroy all our real leaders who could lead us in a revolt against Jewish World Enslavement. What do you think happened to Charles Lindbergh, Sen. McCarthy, Rep. John Rankin, James Forrestal, Gen. Mosley, Gen. Douglas MacArthur, Sen. Wheeler, Larry Duggan, and Gen. Patton? They each tried to combat the Jewish Con-

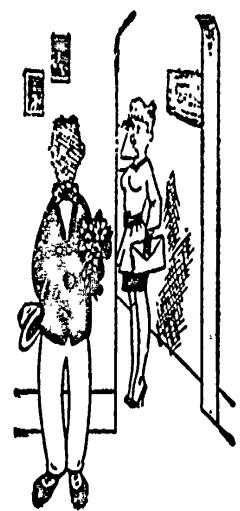

White Mother at mixed race meeting. Why my children go to school with the negroes, I don't think there is anything wrong with it.

A few years later in school they get along swell.

They do this with the money you thought went to charity, but it does not go that way. They use your money to fight you back with, to get laws made for their own benefit.

Wake up for your country's sake, City and State, for your own sake and the future generations sake, and the white peoples sake as well as the colored peoples sake. Our enemies are behind the move. They have been undermining us for the last 30 or 40 years. We are so divided, that if a war started tomorrow, God only knows where we would land. Our enemy is organized - but we are not.

EXPOSING THE PERILS OF RACIAL INTEGRATION

We quote herein some of the leading statesmen, scientists, and philosophers that mankind has yet produced and their viewpoints in regard to the fundamental inequality of the Negro race.

1. ABRAHAM LINCOLN--(pages 145-146, Vol. 3, "COLLECTED WORKS OF ABRAHAM LINCOLN" by Roy P. Basler, Rutgers University Press, 1953):
"I will say, then, that I am not, nor ever have been, in favor of bringing about in any way the social and political equality of the white and black races; that I am not, nor ever have been, in favor of making voters or jurors of Negroes, nor of qualifying them to hold office, nor to intermarry with white people, and I will say in addition to this that there is a physical difference between the white and black races which I believe will forever forbid the two races living together on terms of social and political equality, and inasmuch as they cannot so live, while they do remain together there must be the position of superior and inferior, and I, as much as any other man, am in favor of having the superior position assigned to the white race."
2. MEREDITH TOWNSEND--(World renowned English anthropologist):
"None of the black races, whether Negro or Australian, have shown within the historic time the capacity to develop civilization. They have never passed the boundaries of their own habitats as conquerors, and never exercised the smallest influence over peoples not black. They have never founded a stone city, have never built a ship, have never produced a literature, have never suggested a creed."
3. WILLIAM ARCHER--(Well-known English critic, writer and publicist):
"In moving among Negroes, one has constantly to avow, perhaps to struggle against, a sense of their fundamental, inherent, ineradicable inferiority. Whatever may be their amiable and even admirable qualities, one cannot resist the conviction that they are some degrees nearer the brute; nor can one wonder at their proved incapacity to evolve for themselves any approach to civilization." (taken from Archer's book, "INDIA AND THE FUTURE")
4. OLIVERIRA VIANNA--(a member of the Brazilian Academy of Letters and noted South American author):
"The pure Negroes never will be able, not even the most advanced representatives of the race, to be assimilated completely into the white culture: their capacity for civilization does not extend beyond merely imitating, more or less imperfectly, the habits and customs of the whites. Between the Negro's mentality and that of the Caucasian lies a substantial and irreducible difference which no social or cultural pressure, no matter how long it may be continued, can possibly overcome."
5. THOMAS JEFFERSON--(from page 164, "LIFE WRITINGS & OPINIONS OF THOMAS JEFFERSON" by B.L. Rayner):
"Nothing is more certainly written in the book of fate than that these (Negro) people are to be free, nor is it less certain that the two races, equally free, cannot live in the same government (nation). Nature, habit, opinion have drawn indelible lines of distinction between them. It is still in our power to direct the process of emancipation and deportation, peaceably, and in such slow degree, that the evil will wear off insensibly, and their place be filled up by free white laborers."

JEWISH COMMISSARS DIRECT THE FEDERAL INVASION OF MISSISSIPPI

James H. Madole

Integration has, at last,
shown its
"TRUE BANNER"...

We've got a "Big Supply"!

A NEW FLAG
OVER
MISSISSIPPI !

With every passing year the most talented and creative elements of our White race in the United States permit themselves to be further misled and brainwashed, under the false slogans of Christian Brotherhood and humanitarianism, into the process of racial suicide. The White man is deceived into weeping bitter tears over the alleged injustices committed against Jews, Negroes, and half-castes but pays absolutely no heed to the obvious fact THAT HIS OWN WESTERN CIVILIZATION IS CRUMBLING INTO DUST BECAUSE THESE LESS GIFTED SUB-RACES LACK THE CAPACITY TO MAINTAIN OUR PRESENT STANDARDS OF CULTURE ONCE THE WHITE RACE PERMITS ITS MASTERY TO BE CHALLENGED OR ITS INFLUENCE TO BE ERADICATED. The form of government practiced in the United States permits organized racial minority groups to exercise an undue influence upon the corrupt bureaucratic machinery of both the Democratic and Republican parties. The only criteria for attaining political influence under "American Democracy" is not based upon either racial values or national idealism but solely upon the number of votes and the amount of cash which can be accumulated by these archaic and decadent political monstrosities. OUR VERY SYSTEM OF GOVERNMENT WHICH GLORIFIES WEALTH ABOVE INTELLIGENCE AND PREFERS QUANTITY RATHER THAN QUALITY PERMITS THE JEW TO

IMPOSE HIS WILL UPON THE WHITE CHRISTIAN MAJORITY AND CAUSES RACIAL DEGENERATION TO UNDER-MINE THE CULTURAL FOUNDATIONS OF OUR BELOVED COUNTRY! The Jew can only flourish in societies which place the profit motive above considerations of racial and national loyalty. The ever-increasing rate of juvenile delinquency, narcotics addiction, and unwed motherhood among American youth can be traced directly to the changing racial complexion of our population and the adverse effects of forced racial integration in our public school system. The undesirable characteristics of less gifted and more primitive racial types are beginning to rub off on White children as a result of daily intimate contact between impressionable young men and women. The normal educational standards must be lowered in order to give an equal opportunity to the normally less talented masses of youngsters from minority groups.

Skilled Jewish organizers and financiers have set up three organizations to capture the political support of TWENTY MILLION colored Americans for the backing of Jewish-sponsored candidates and legislation in Washington. These groups are the National Association For the Advancement of Colored People (NAACP), the Congress of Racial Equality (CORE), and the Urban League. The avowed purpose of these groups of professional agitators is to break down all racial barriers between Blacks and Whites thus eventually leading to a complete deterioration of Western Civilization on the North American continent. The results of such a campaign can be seen in the illiteracy and poverty which are prevalent in the totally integrated nations of Central and South America. The Jew can more easily dominate a race of mongrelized wage-slaves than a pure race which is filled with pride in its heritage and scientific accomplishments.

The Jews have also taken complete mastery over the minds of New York's vast Spanish-speaking population by having the Jewish millionaire, L. Raymond Chalk, purchase two newspapers, "EL DIARIO de NUEVA YORK" and "LA PRENSA", which serve as daily reading matter for nearly a million Puerto Ricans and Cubans in the United States. Stanley Ross, another Jew, serves as the editor of "EL DIARIO de NUEVA YORK" and keeps pouring propaganda favorable to the Jewish cause into the minds of our Spanish-speaking populace.

A definite reaction has begun among the Negro and Puerto Rican masses against this Jewish domination. Intelligent Black men are beginning to abandon the NAACP, CORE, and the Urban League and they are flocking into organizations like the Black Muslim Movement and the Black Brotherhood which openly recognize the vast cultural gap which exists between the Black and White races. These Black Nationalists point out that American Negroes have \$20 BILLION WORTH OF PURCHASING POWER IN THE UNITED STATES BUT FAIL TO OWN A SINGLE MAJOR BUSINESS CONCERN. These groups recognize that American Jewry is exploiting the voting power of the Black man while simultaneously using the Negro as cheap labor in his sweat shops and as tenants for his filthy, rat-infested tenements in Harlem and Chicago. Black and Puerto Rican nationalists demand a geographical separation of the races and as a result they have been politically branded by the Jews as "Black Nazis", or stooges of the Communists. The fact is that Jewry's colored stooges in the NAACP, CORE, and the Urban League have never recruited more than 450,000 Negroes out of a total population of Twenty Million Blacks despite the full support of radio, press, and television for their nefarious race-mixing program. Black Nationalism is sweeping ahead without the slightest aid from Jewish elements hence the smear campaign against these colored patriots.

To regain their dwindling prestige as the foremost champions of civil rights American Jewry ordered their NAACP organization to groom a 29 year old Negro veteran, James Meredith, as an applicant for entry into the University of Mississippi. Jack Greenberg, top legal consultant for the NAACP, admitted on the Barry Gray show on Radio Station WMCA THAT JAMES MEREDITH HAD ASKED HELP FROM HIS ORGANIZATION IN ADVANCE AND THAT THE NAACP HAD SPENT \$37,000 THUS FAR IN FORCING MEREDITH INTO THE UNIVERSITY. Greenberg openly admitted that the NAACP had both helped and financed Meredith's activities which led to the death of two men and the injuring of hundreds. Greenberg also represented Meredith in his enrollment at the Mississippi college.

The deliberate attempt by this Jewish-sponsored group to attract publicity for their nefarious cause led to one of America's worst race riots, the invasion of Mississippi by 25,000 American troops and 400 Federal Marshals (many of them being Jewish bully boys) led

by two Jewish commissars from Bobby Kennedy's Dept. of Justice; namely, Deputy Attorney-General Nicholas Katzenbach and Richard Guthman. Because Major General Edwin Walker, being a normal White Gentile, later denounced his own part in leading the Federal invasion of Little Rock, Arkansas, some five years earlier, THE COMMAND OF U.S. MILITARY FORCES INVADING MISSISSIPPI WAS PLACED IN THE HANDS OF A JEWISH COMMANDER, MAJOR GENERAL CREIGHTON ABRAMS! The now retired, Major General Edwin Walker, to make up for his error in serving Jewish tyranny at Little Rock, fought by the side of heroic, unarmed White students on the college campus. He was later arrested and remains under indictment on charges of fomenting civil insurrection against the Federal Government pending a mental test by a Jewish psychiatrist named Overholser. A tremendous cost will be levied upon the already overburdened American taxpayer as the price of maintaining this huge military force (over 4 times the strength of American forces in Berlin) in Oxford, Mississippi. All this, plus the cost of two human lives, to keep one professional agitator on a university campus.

The brutal actions undertaken by the Federal Marshals, under the control of Katzenbach and Guthman, has been described as follows in a pamphlet entitled; "OXFORD, A WARNING TO ALL AMERICANS", published by the Mississippi State Junior Chamber of Commerce:

"Despite reports to the contrary, the conduct of the Federal Marshals during the tragic events at Oxford was not something of which Americans can be proud. In fact, their conduct was reprehensible! Their inexperience was confirmed by President Kennedy at a meeting of Democratic Congressional leaders as reported by the nationally syndicated "Allen-Scott Report" when the President was said to have stated..."the U.S. Marshals were inexperienced and blundered in their use of tear gas. It was a very sad day.

After the battle began the night of September 30th the marshals went on a rampage firing tear gas projectiles at close range into students and even into the back of the head of a Mississippi Highway Safety Patrolman knocking him unconscious. The marshals actually invaded the dormitories, firing tear gas projectiles. Because of the unnecessary use of tear gas by the marshals, the campus was thick with gas for several days. Some of the classrooms could not be used for days...The treatment of "prisoners", many of whom did not participate in the battle, was shocking. Many of the prisoners were 15 and 16 year old boys, several were students, many were outsiders, and a few were elderly men. The night of September 30th and the next day were hours of unbelievable terror for those prisoners, some of whom had nothing to do with the riot. THE MARSHALS ADMINISTERED BEATINGS WITH NIGHTSTOCKS, KNOCKING A FEW ALMOST INTO A STATE OF UNCONSCIOUSNESS. A storeroom with no windows located in the Lyceum Building was converted into a virtual dungeon. Ordinarily, about 15 persons could have gotten into that room, and the marshals had packed it with almost 100 "prisoners". The "prisoners" were neither fed nor given water for many long hours. With tear gas still in the air, the area was hardly bearable. Many of the boys had dried blood on their clothes and faces. A television newsman told at a press conference of the cruel treatment the "prisoners" received from the marshals in the Lyceum Building."

The Jewish agitators, with their handful of Negro dupes, who were responsible for setting the stage in this monstrous affair were completely unsuccessful in capturing the support of the colored masses in the United States. Rather than gaining acceptance by the White people of the South, this terrible riot caused untold thousands of Negroes to flee their homes and farms in the South and pour into Northern cities where they were promptly entered on the welfare and relief rolls thus becoming an unnecessary burden to the White taxpayers in these areas. Instead of creating brotherly love, the OXFORD INCIDENT had stirred up a hornet's nest of hatred. Support for the Jew began to dwindle, even among the Negro membership of the NAACP. We quote from an article entitled, "INSIDE REPORT", by Shepard Draxin, in "THE JEWISH PRESS" of 11/2/62:

"A rift between the NAACP and several Jewish organizations is being regarded by civil libertarians as an embarrassing and difficult problem. Insiders knew for a long time that a rift was inevitable due to several hot issues. Firstly, many Jewish leaders feel that the NAACP, America's largest Negro civil liberties organization lagged in its response to the Muslim movement which has been accused of promoting anti-Semitism among Negroes in the U.S.

'On several occasions, when open and vicious anti-Semitic near-riots took place in Harlem, NAACP officials were asked to come down and talk to the poster-carrying Negroes but they refused to do so. The recent investigation of racial discrimination in the INTERNATIONAL LADIES GARMENT WORKERS UNION, a predominantly Jewish union, brought the already hot tempers to a broil. Charles Zimmerman, a vice president of the garment union, resigned as board member of the NAACP Legal Defense and Educational Fund. The National Trade Union Council for Human Rights of the JEWISH LABOR COMMITTEE wrote a letter to Mr. Wilkins (Roy Wilkins, a Negro leader of the NAACP) demanding that Mr. Hill of the NAACP be repudiated for his "irresponsible" attacks. These "irresponsible" attacks have been branded by Mr. Zimmerman as anti-Semitic attacks. It was learned later that Mr. Hill (Herbert Hill, Chief Labor Council for the NAACP) who had so irked the Jewish leaders is himself a Jew. ONE THING IS CERTAIN AND CLEAR IN THIS CONTROVERSY. MANY JEWISH FELLOWS WHO HAVE CONTRIBUTED HEAVILY TO THE NEGRO ORGANIZATION WILL BE WONDERING WHETHER THEY ARE GETTING A FAIR DEAL IN RETURN. BIGOTRY IS COLORLESS, NEGROES TOO CAN BE HATEFUL."

The above quoted statements from "THE JEWISH PRESS" should clearly drive home to Negroes the fact that American Jewry has never practiced what it has preached. The Negro and Puerto Rican people have been used as a battering ram to break down the moral and cultural standards of the White race BUT JEWS HAVE MERELY SOUGHT TO CREATE A PUPPET ARMY OUT OF THESE UNFORTUNATE PEOPLE TO ACT AS A BUFFER AGAINST RETRIBUTION FROM AN AROUSED WHITE POPULATION. Negroes are expected to fight anti-Semitism among both Whites and Blacks in return for which the Jews promise them total integration with the White community. MEANWHILE THE JEWS CONTINUE TO VICIOUSLY EXPLOIT THE PEOPLE OF BOTH RACES WHILE SIMULTANEOUSLY CREATING FRICITION AND HATRED THROUGH INCIDENTS SUCH AS THOSE IN LITTLE ROCK, ARKANSAS AND OXFORD, MISSISSIPPI. It is perfectly fine to allow their puppet NAACP to file legal suits against White hotels, resorts, and labor unions BUT GOD HELD THE MISGUIDED NEGRO WHO DARES TO POINT OUT DISCRIMINATION WHEN IT IS PRACTICED BY JEWISH GROUPS. For example, how many Negroes or Puerto Ricans are employed by the B'nai B'rith, the Jewish labor Committee, or at Jewish summer resorts? If White Christian groups such as the Young Mens Christian Association or the New York Athletic Club sought to bar Jews or Negroes, groups like the NAACP would be allowed to snap at their heels immediately. American Negroes will never solve their problems by permitting themselves to be used by the organized Jewish community against the White race. They will only create increased misfortune for themselves by aiding this enemy of all Gentile people. NEGROES SHOULD REMEMBER WHO OWNS THE FILTHY TENEMENTS IN WHICH THEY LIVE, THE LIQUOR STORES IN WHICH THEY SEEK FORGETFULNESS, THE HOCK SHOPS IN WHICH THEY PAWN THEIR PITIFUL BELONGINGS, AND THE SWEAT SHOPS IN WHICH THEY TOIL UNDER SUB-HUMAN WORKING CONDITIONS, NEGROES MUST REALIZE THAT BLACK NATIONALISM WHICH ADVOCATES GEOGRAPHICAL SEPARATION OF THE RACES IS THE ONLY REMEDY WHICH OFFERS HIM THE DIGNITY OF COMPLETE FREEDOM FROM RAPACIOUS ECONOMIC EXPLOITATION. He cannot assimilate with the White race unless he wishes total loss of his own racial identity and mongrelized races lose all potential for cultural progress. Assimilation will lead to the ultimate destruction of both races WHICH IS WHY ALL JEWISH PUBLICATIONS AND ORGANIZATIONS EXHORT THEIR CO-RACIALS NEVER TO INTERMARRY WITH NON-JEWS. Race is the key to history for those who understand the laws of Nature which supercede the laws of man.

On January 14, 1963, Detective Tony Ulasewicz, Bureau of Special Services, New York City Police Department, advised that on Friday evening, January 11, 1963, from 8:30 PM to 11:45 PM, a meeting of the National Renaissance Party (NRP) was held at the Yorkville Labor Temple, 157 East 86th Street, New York City, with about 65 persons present.

MEMBER OF SUBJECT ORGANIZATION

The first speaker of the evening was Frederick E. Jones, 33 West 74th Street, New York City, Chairman of the meeting, and his topic was "Past and Present Goals of the National Renaissance Party in Yorkville". Jones said a new youth group of the NRP was being formed, and would include individuals between the ages of 17 and 35. This group will wear uniforms, hold private meetings, and provide protection for James H. Madole, NRP Leader, during outdoor meetings of the NRP.

James H. Madole, NRP Leader, next spoke against the Jews and Israel's "invasion of the Middle East". Madole said that the NRP would distribute literature throughout the east side of New York City to inform people of the NRP's stand on various political issues, and to influence local and state elections.

MEMBER OF SUBJECT ORGANIZATION

Madole was followed by Joseph Rudden, NRP member, who launched an anti-semitic tirade against the late Eleanor Roosevelt and against the late George Sokolsky, newspaper columnist.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

The final speaker was one, Walter Bradley, whose topic "Myth of Racial Equality", dealt mainly with quotations from various anti-negro periodicals.

Detective Ulasewicz advised that Madole informed him that the NRP would hold monthly meetings at the Yorkville Labor Temple every second Friday, and in May, 1963, intended to hold outdoor meetings in Yorkville at the corner of 86th Street and Third Avenue, New York City. Madole stated that NRP youth group would appear at these outdoor meetings in uniform for the purpose of protecting Madole from any possible assault.

Detective Ulasewicz stated that observed in attendance at the aforementioned NRP meeting were Luke [redacted] Dommer of the Nationalist Party (NP), and [redacted] and [redacted] of the Fighting American Nationalists, New York City (FAN, NYC).

Detective Ulasewicz stated that there were no incidents during the above meeting.

Characterizations of the NRP, NP, and FAN, NYC, are attached hereto, and sources mentioned therein have furnished reliable information in the past.

I.

On May 9, 1962, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949 by JAMES H. MADOLE, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of JAMES H. MADOLE at 10 West 90th Street, New York City..

The Un-American Activities Committee of the US House of Representatives, in a Preliminary Report, dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American.

NATIONALIST PARTY

On June 28, 1962, Detective TONY ULASEWICZ, Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that the Nationalist Party (NP) was formed on September 21, 1961, and although it has no actual headquarters, continues to maintain a "mail drop" at 507 Fifth Avenue, New York City.

Detective ULASEWICZ further advised that although LUKE DOMMER has no official title as an officer of the NP, he in actuality controls the activities of the NP.

Detective ULASEWICZ stated that even though activities of the NP consist of anti-communist demonstrations, members of the NP have in the past exhibited anti-semitic sympathies, and stated that LUKE DOMMER mentioned above attended a meeting of the Fighting American Nationalists (FAN) which was held in New York City on December 4, 1960.

On August 2, 1962, a confidential source advised that the NP activities are openly anti-communist. However, this source stated, members of the NP have strong anti-semitic sympathies which they do not reveal openly since they feel disclosure of such sympathies would lose many supporters for the NP.

The above source further advised that the NP continues to join with other organizations in anti-communist demonstrations thereby giving the impression of having a greater membership than it actually has.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, Leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized [redacted] as an anti-Communist organization.

b6
b7C

ROCKWELL said FAN was organized in September, 1960, and it is a separate and distinct group from the ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLF HITLER.

ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against Communism. Soon these individuals join the ANP, ROCKWELL said.

ROCKWELL continued there are three members of the FAN in Washington, D.C.: [redacted] and SCHUYLER [redacted] DAVENPORT FERRIS.

b6
b7C

A source advised on February 17, 1961, that in talking to [redacted] ANP, [redacted] stated there is no legal connection between FAN and ANP but FAN was organized under the guidance of ROCKWELL and it is used as a front group dominated by the principles and objectives of the ANP and looks to GEORGE LINCOLN ROCKWELL as its leader.

Re: National Renaissance Party

On April 18, 1963, a source who has furnished reliable information in the past, advised that on Wednesday, April 17, 1963, James H. Madole leader of the National Renaissance Party (NRP), made an appearance at Hamilton Hall, Room 212, Columbia University, New York City, where he was scheduled to be a guest speaker.

The source advised that Madole began his speech at about 4:00 P.M. on April 17, 1963 and after speaking for approximately five minutes, he launched into a tirade which was anti-Semitic and anti-Negro. Immediately thereafter, Madole was constantly interrupted and shouted down by the majority of the audience which totaled about 125 persons. Several University students attempted to quiet the crowd by pleading that although what Madole said may be offensive to many he should be allowed to express his views and opinions. However, according to the source, the crowd continued to interrupt and shout down Madole.

The source further advised that [redacted] an NRP member was attired in the NRP uniform of black trousers, army boots, black tie and khaki shirt with the NRP insignia on the collar. Because of the uniform he wore, [redacted] received much attention from the crowd which was openly hostile.

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958 issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt", announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana to Post Office Box 783, Birmingham, Alabama.

APPENDIX

National Renaissance Party (NRP)

On May 9, 1962, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole, at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954 stated "National Renaissance Party activities and propaganda are clearly subversive and un-American".

Re: National Renaissance Party

Mostaccio in wielding the banner which he held like a club, struck NYCPD [] above the eye with the tip of it and was arrested by [] on a charge of felonious assault.

b6

[] stated that the crowd behind the barricade then began to hurl eggs and tomatoes at Madole and his followers and finally at about 2:40 p. m. a cordon of members of the NYCPD surrounded Madole and his followers and led them to the panel truck in which they departed from the area.

b6
b7C

[] advised that in addition to Mostaccio eight persons not connected with the NRP were arrested on charges of disorderly conduct. All of these persons had been behind the barricades across the street from where Madole was speaking.

b6
b7C

[] advised that Madole has scheduled another outdoor meeting for the NRP on Saturday, June 1, 1963 at the same place and time.

b6
b7C

[] stated it is doubtful if Madole will hold this meeting which he has scheduled.

On May 27, 1963, [] BSS, NYCPD advised that on May 26, 1963 Louis Mostaccio, Apartment D3, 341 West 30th Street, New York City was arraigned before Judge Manuel A. Gomez, Manhattan Criminal Court, on a charge of felonious assault against [] previously mentioned. Judge Gomez ordered Mostaccio held in \$10,000 bond for a hearing on June 4, 1963.

Re: National Renaissance Party

[redacted] stated that while waiting, Madole was interviewed by members of the press and advised the press that the purpose of the rally was for the "unification of the great majority of white Christian Americans behind a political party which is not dominated by aggressive Jewish and Negro minority groups".

b6
b7C

[redacted] stated that the NRP rally began at approximately 1:50 p. m. on May 25, 1963 with Daniel Burros as first speaker. It was difficult to hear the speaker since there was no sound system and the spectators had begun to sing the "Star Spangled Banner" and shout down the speaker.

b6
b7C

Burros spoke for a few minutes and stated that 90 per cent of the members of the Communist Party were Jews and therefore traitors.

He next introduced Madole.

Madole, in his speech, said the Negroes are being exploited by the Jews and because of this exploitation, the Jews have made the Negroes the most hated people in the world today.

Madole had been speaking only a few minutes when a representative of the Jew War Veterans (JWV) broke through the barricades surrounding Madole and the speaker's platform and attempted what he described as a citizen's arrest. Peter Krause, who had been holding the American flag and Louis Mostaccio, who had been holding the NRP banner intercepted the JWV member and a scuffle ensued involving other JWV members and other spectators with the NRP members.

[redacted] further advised that approximately 3,000 spectators were assembled by the NYCPD behind barricades on the west side of First Avenue between 85th and 86th Streets, while the speakers platform for Madole was set up across the street on the east side of First Avenue between 85th and 86th Streets within a barricaded area.

New York should make a thorough review of the material being submitted concerning the NRP and make a determination as to whether the group should be investigated as a hate group under the criteria set forth in Chapter 122 of the Manual of Instructions or whether your office should continue to investigate the organization as an Internal Security - X Matter.

It is noted that in the recent past the National Renaissance Party appears to have taken a more active part in racial matters.

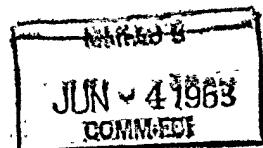

Furnish the Bureau your views in this matter within ten days of receipt of this communication.

Re: National Renaissance Party

On June 3, 1963, a source who has furnished reliable information in the past, advised that JAMES H. MADOLE, leader of the National Renaissance Party (NRP) stated that the NRP street rally which he had intended to hold on June 8, 1963, on First Avenue, between 85th and 86th Streets, New York City, had been cancelled since he has been unable to muster a sufficient number of uniformed NRP members to attend such a street rally.

MADOLE stated however that he intends to hold street meetings of the NRP in the future but advised he had no specific date set for any future street meetings. He further advised that when he does hold another NRP street meeting, he will give two weeks' advance notice to the New York City Police Department.

A characterization of the NRP is attached and source mentioned therein has furnished reliable information in the past.

RACIAL MATTERS

ReBuairtel to New York, 6/4/63.

It is noted that the character of this case has been changed to include the character of Racial Matters on the basis of information set forth below.

From a review of past activities of the National Renaissance Party (NRP) it would appear that it possibly meets the criteria for investigation as a hate group as set forth in Section 122A of the Manual of Instructions in that it has adopted "a policy.... of advocating, condoning, or inciting the use of force or violence to deny others their rights under the Constitution".

This determination has been made because of the NRP's most recent activity which was a street rally on 5/26/63 at First Avenue between 85th and 86th Streets, NYC, which was labeled by the NRP as an "America First Rally". This rally was terminated following an attempt by a member of the Jewish War Veterans (JWV) to make a "citizen's arrest" of JAMES H. MADOLE, NRP leader, who was the featured speaker at this rally. This attempt resulted in a brief skirmish between followers of MADOLE and members of the JWV.

Since that date, the NRP has held no street rallies despite MADOLE's statement several months ago that the NRP would hold weekly street meetings every Saturday at the same location where the 5/26/63 meeting was held. Since that time MADOLE has stated that he has not held any street meetings because of his inability to muster sufficient "numbers of uniformed members" of the NRP to attend these meetings.

It is to be noted that the NRP has an extremely limited membership which has been estimated at from six to eight and has been relatively quiet in its activities until the street meeting of 5/26/63. It is also noted that there is no definite evidence that the NRP has favored the use of force or violence to deny others their rights under the Constitution.

NYO investigation of the NRP will be conducted with the purpose of resolving the question whether or not NRP activities warrant investigation of this organization under the criteria set forth in Section 122A of the Manual of Instructions.

At this time, no case will be opened on NRP leader, JAMES H. MADOLE, until such time as it has been determined that a continuing investigation of the NRP will be instituted.

NYO will submit a report within 30 days of the date of this letter.

NATIONALIST PARTY

On June 28, 1962, Detective TONY ULASEWICZ, Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that the Nationalist Party (NP) was formed on September 21, 1961, and although it has no actual headquarters, continues to maintain a "mail drop" at 507 Fifth Avenue, New York City.

Detective ULASEWICZ further advised that although LUKE DOMMER has no official title as an officer of the NP, he in actuality controls the activities of the NP.

Detective ULASEWICZ stated that even though activities of the NP consist of anti-communist demonstrations, members of the NP have in the past exhibited anti-semitic sympathies, and stated that LUKE DOMMER mentioned above attended a meeting of the Fighting American Nationalists (FAN) which was held in New York City on December 4, 1960.

On August 2, 1962, a confidential source advised that the NP activities are openly anti-communist. However, this source stated, members of the NP have strong anti-semitic sympathies which they do not reveal openly since they feel disclosure of such sympathies would lose many supporters for the NP.

The above source further advised that the NP continues to join with other organizations in anti-communist demonstrations thereby giving the impression of having a greater membership than it actually has.

AMERICAN NAZI PARTY,

GEORGE LINCOLN ROCKWELL PARTY

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS, stating that he expects to become the President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by ROCKWELL attacking Jews as traitors to the United States; attempts by ROCKWELL to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. ROCKWELL prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

On June 29, 1962, the State of Virginia revoked the charter of the American Nazi Party.

Dear [redacted]

This will acknowledge your letter of May 5, 1963, to the Federal Bureau of Investigation, enclosing literature sent to you by the National Renaissance Party of New York.

The Post Office Department has long been concerned about the use of its facilities to distribute "hate" literature. However, it has no authority to bar such material from the mails unless the contents tend to incite arson, murder or assassination, contrary to the provisions of 18 U. S. Code 1461. There is no postal law which prohibits the mailing of statements against a religious group or against a race of people, as such. Accordingly, there is no action we may take against the literature in question.

██████████ informed the New York City Police Department that █████ had taken his camera with him for the purpose of photographing NRP members while they were engaged in a scuffle with the demonstrators. █████ stated that the NRP members were to entice the demonstrators into a fight and if necessary the weapons in the truck were to be used.

██████████ further informed the New York City Police Department that plans for this proposed enticement to fight with the demonstrators had been discussed thoroughly at a meeting held in the apartment of James H. Maddie, 10 West 90th Street, New York City, on Saturday evening, July 13, 1963.

██████████ informed the New York City Police Department that when he and the others arrived at the White Castle Restaurant, Allerton Avenue and Boston Road, Bronx, New York, they were unable to place their plan into effect because of the large number of policemen in the area who would not permit them to drive █████ truck up to the restaurant.

[redacted] further advised that when [redacted] was arrested, the New York City Police Department recovered from his home eight rifles, a shotgun, a zip gun and thousands of rounds of all types of ammunition.

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959..

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS, stating that he expects to become the President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by ROCKWELL attacking Jews as traitors to the United States; attempts by ROCKWELL to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. ROCKWELL prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

On June 29, 1962, the State of Virginia revoked the charter of the American Nazi Party.

[REDACTED] further advised that the total membership of the NRP at its peak numbers from eight to ten with persons appearing at meetings at MADOLE's apartment for a short time and then apparently losing interest and dropping out.

II. OBJECTIVES

In a flyer distributed by the NRP in May, 1963, MADOLE stated the purpose of the NRP is "unifying the great majority of white Christian Americans behind a political party which is not dominated by aggressive Jewish and Negro minority groups."

A booklet published by the NRP, entitled "SE Man," self-described as the organ of the Security Echelon (SE) of the NRP states that the SE was formed to defend against the terrorist methods practiced by the Israeli Intelligence Service known as the Shin Beth which "SE Man" states has waged a war of terror and murder for many years.

The SE of the NRP is described as "the fighting vanguard of the white race" and the purpose of the SE is to protect the leadership of the NRP and provide order at NRP rallies and meetings.

On May 8, 1963, NY T-1 described the objectives of the NRP as promoting United Arab Republic (UAR) policies in the United States and promoting a general anti-Semitic atmosphere in every walk of life.

NY T-1 further stated that the NRP in promoting these objectives has attempted to model itself upon the German Nazi Party of ADOLF HITLER and consequently is not only an anti-Semitic organization but one which is anti-Negro, anti-Christian and neo-Fascist.

III. MEETINGS

NY T-1 advised that meetings of the NRP are held regularly every week, usually on Thursday evenings, in the apartment of JAMES H. MADOLE at 10 West 90th Street, New York City, with an average of six to eight persons in attendance. These meetings usually consist of a discussion of NRP activities and activities of similar groups throughout the United States and the rest of the world.

On May 29, 1963, [redacted] b6 b7C
BSS, NYCPD, advised that MADOLE had informed him that the NRP would not hold the outdoor rally on First Avenue between 85th and 86th Streets, New York City, which had been originally scheduled for Saturday, June 1, 1963. MADOLE further stated that if he can muster a sufficient number of NRP members, he intended to hold a meeting of the NRP at the same location on Saturday, June 8, 1963.

~~MEMBER~~
On June 14, 1963, NY T-2 advised that MADOLE, [redacted], JOSEPH RUDDEN, [redacted] b6 b7C and DAN BURROS, all NRP members, attended a meeting of the American Nazi Party (ANP) of New York which was held on June 13, 1963, at the Madison Square Hotel, 26th Street and Madison Avenue, New York City, and which was presided over by [redacted]
[redacted].

A characterization of the ANP is contained in the Appendix Section of this report.

NY T-2 advised that the discussion at the above meeting concerned itself with possible cooperation between the NRP and the ANP. MADOLE is strongly against such cooperation since he feels that NRP should act independently of any other organization.

NY T-2 further stated that MADOLE stated the NRP will hold no outdoor meetings or rallies in the foreseeable future but will restrict its activities to weekly meetings to be held each Saturday afternoon at the offices of The Truth Seeker, 38 Park Row, New York City.

NY 105-6112

On June 27, 1963, NY T-2 advised that MADOLE'S landlord had informed him that he would not tolerate MADOLE holding any further NRP meetings at his residence, 10 West 90th Street, New York City, or he would have him evicted. Consequently, NY T-2 advised that the first NRP meeting away from 10 West 90th Street, New York City, was held at the offices of The Truth Seeker, Incorporated, 38 Park Row, New York City, on June 22, 1963.

According to NY T-2, present at the offices of The Truth Seeker, Incorporated, on June 22, 1963, were JAMES H. MADOLE, NRP leader, JOSEPH RUDDEN, DAN BURROS and [REDACTED] all NRP members, CHARLES SMITH, editor of "The Truth Seeker," [REDACTED] LUKE DOMMER of the Nationalist Party (NP), [REDACTED] State representative of the National States Rights Party (NSRP), [REDACTED] from [REDACTED] and one [REDACTED] described as [REDACTED] age [REDACTED] inches, medium build, tattoo of [REDACTED] on outside of upper left arm and tattoo of [REDACTED] on inside of upper left arm.

B. APPROX. NY T-2 further stated that MADOLE did not have much to say on June 22, 1963, except that the NRP may hold an indoor rally in New York City within the next two weeks but had not as yet leased any hall for this meeting. MADOLE stated that the NRP has had no activity within recent weeks.

Characterizations of The Truth Seeker, the NSRP and the NP are contained in the Appendix Section of this report.

IV. ACTIVITIES

On May 26, 1963, [REDACTED] BSS, NYCPD, advised that on Saturday, May 25, 1963, an "America First Rally" sponsored by the National Renaissance Party was scheduled to begin at 1 PM on First Avenue, between 85th and 86th Streets, New York City.

b6
b7C

[redacted] further advised that approximately 3,000 spectators were assembled by the NYPD behind barricades on the west side of First Avenue between 85th and 86th Streets, while the speaker's platform for MADOLE was set up across the street on the east side of First Avenue between 85th and 86th Streets within a barricaded area.

b6
b7C

NY 105-6112

[redacted] stated that because of the size of the crowd of spectators, the NRP rally did not begin on schedule since the NYCPD was awaiting the arrival of contingent of NYCPD Mounted Policemen to handle the crowd.

b6
b7C

[redacted] stated that while waiting, MADOLE was interviewed by members of the press and advised the press that the purpose of the rally was for the "unification of the great majority of white Christian Americans behind a political party which is not dominated by aggressive Jewish and Negro minority groups."

b6
b7C

[redacted] stated that the NRP rally began at approximately 1:50 PM on May 25, 1963, with DANIEL BURROS as first speaker. It was difficult to hear the speaker since there was no sound system and the spectators had begun to sing the "Star Spangled Banner" and shout down the speaker.

b6
b7C

BURROS spoke for a few minutes and stated that 90 per cent of the members of the Communist Party were Jews and therefore traitors.

He next introduced MADOLE.

MADOLE, in his speech, said the Negroes are being exploited by the Jews and because of this exploitation, the Jews have made the Negroes the most hated people in the world today.

MADOLE had been speaking only a few minutes when a representative of the Jewish War Veterans (JWV) broke through the barricades surrounding MADOLE and the speaker's platform and attempted what he described as a citizen's arrest. [redacted] who had been holding the American flag and LOUIS MOSTACCIO, who had been holding the NRP banner, intercepted the JWV member and a scuffle ensued involving other JWV members and other spectators with the NRP members.

b6
b7C

NY 105-6112

MOSTACCIO in wielding the banner which he held like a club, struck NYCPD [] above the eye with the tip of it and was arrested by [] [] on a charge of felonious assault.

b6
b7C

[] stated that the crowd behind the barricade then began to hurl eggs and tomatoes at MADOLE and his followers and finally at about 2:40 PM, a cordon of members of the NYCPD surrounded MADOLE and his followers and led them to the panel truck in which they departed from the area.

b6
b7C

[] advised that in addition to MOSTACCIO, eight persons not connected with the NRP were arrested on charges of disorderly conduct. All of these persons had been behind the barricades across the street from where MADOLE was speaking.

b6
b7C

[] advised that MADOLE has scheduled another outdoor meeting for the NRP on Saturday, June 1, 1963, at the same place and time.

b6
b7C

[] stated it is doubtful if MADOLE will hold this meeting which he has scheduled.

On May 27, 1963, [] BSS, NYCPD, advised that on May 26, 1963, LOUIS MOSTACCIO, Apartment D3, 341 West 30th Street, New York City, was arraigned before Judge MANUEL A. GOMEZ, Manhattan Criminal Court, on a charge of felonious assault against []. } previously mentioned. Judge GOMEZ ordered MOSTACCIO held in \$10,000.00 bond for a hearing on June 4, 1963.

b6
b7C

On June 27, 1963, [] advised that LOUIS MOSTACCIO, 341 West 30th Street, New York City, was convicted of simple assault before Judge O'BRIEN, Part II B, Criminal Court, New York City, and will be sentenced on July 19, 1963.

all self-admitted members of the National Renaissance Party, appeared at the 43rd Precinct, of the NYCPD, Bronx, New York, to register a complaint that a gang of 20 Negroes had assaulted them at the White Castle Restaurant, Soundview Avenue and Bruckner Boulevard, Bronx, New York, after they, the NRP members, had gone to this restaurant to observe the picketing at that site by members of the Congress of Racial Equality (CORE).

The above three NRP members claimed that the window of a 1958 yellow English Ford panel truck, owned by [redacted] had been smashed by CORE pickets.

b6
b7c

When members of the NYPD inspected the truck, they found it contained a quantity of weapons and numerous pieces of anti-Negro literature bearing the identification of the NRP, 10 West 90th Street, New York City.

Weapons found in the truck consisted of a loaded United States Navy flare gun, loaded tear gas pencil, loaded tear gas billy, loaded .22 calibre revolver, loaded pellet gun, switchblade knife, straight razor, cross bow and three arrows, and long axe-type weapon.

at this site.

NY 105-6112

[redacted] informed the NYCPD that [redacted] had taken his camera with him for the purpose of photographing NRP members while they were engaged in a scuffle with the demonstrators. [redacted] stated that the NRP members were to entice the demonstrators into a fight and if necessary the weapons in the truck were to be used.

b6
b7C

[redacted] further informed the NYCPD that plans for this proposed enticement to fight with the demonstrators had been discussed thoroughly at a meeting held in the apartment of JAMES H. MADOLE, 10 West 90th Street, New York City, on Saturday evening, July 13, 1963.

b6
b7C

[redacted] informed the NYCPD that when he and the others arrived at the White Castle Restaurant, Allerton Avenue and Boston Road, Bronx, New York, they were unable to place their plan into effect because of the large number of policemen in the area who would not permit them to drive [redacted] truck up to the restaurant.

b6
b7C

[redacted] stated that [redacted] lost interest in the plan when they were thwarted by the NYCPD and left for home. [redacted] stated that he, [redacted] and [redacted] then decided to drive over to the White Castle Restaurant, Soundview Avenue and Bruckner Boulevard, Bronx, New York, which was also being picketed by CORE demonstrators, and it was at this site that the alleged scuffle with Negro demonstrators took place resulting in damage to [redacted] truck.

MADOLE informed the NYCPD that he was at the site of the White Castle Restaurant, Allerton Avenue and Boston Road, Bronx, New York, on Friday evening, July 12, 1963, for the purpose of distributing NRP literature and for the possibility of recruiting new NRP members from among the young onlookers to the demonstration. MADOLE denied that any meeting had taken place on Saturday, July 13, 1963, or any date at which plans for a fight with CORE demonstrators was discussed. MADOLE likewise denied all knowledge of any firearms being possessed by members of the NRP.

AMERICAN NAZI PARTY,
ALSO KNOWN AS WORLD UNION OF
FREE ENTERPRISE NATIONAL SOCIALISTS,
GEORGE LINCOLN ROCKWELL PARTY

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS, stating that he expects to become the President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by ROCKWELL attacking Jews as traitors to the United States; attempts by ROCKWELL to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. ROCKWELL prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

On June 29, 1962, the State of Virginia revoked the charter of the American Nazi Party.

GEORGE LINCOLN ROCKWELL PARTY

On September 20, 1962, the State Corporation Commission of Virginia issued a charter for a "George Lincoln Rockwell Party." The second source mentioned above advised on September 24, 1962, that ROCKWELL will continue to carry on his activities, using the name American Nazi Party, and he obtained the charter for the George Lincoln Rockwell Party merely to be able to do business as a corporation.

National Renaissance Party (NRP)

On May 9, 1962, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949 by JAMES H. MADOLE, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of JAMES H. MADOLE, at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American."

APPENDIX

National States Rights Party (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957 issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958 issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted] [redacted] the Information Director of the NSRP, is the individual who "runs the NSRP."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

NATIONALIST PARTY

On June 28, 1962, Detective TONY ULASEWICZ, Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that the Nationalist Party (NP) was formed on September 21, 1961, and although it has no actual headquarters, continues to maintain a "mail drop" at 507 Fifth Avenue, New York City.

Detective ULASEWICZ further advised that although LUKE DOMMER has no official title as an officer of the NP, he in actuality controls the activities of the NP.

Detective ULASEWICZ stated that even though activities of the NP consist of anti-communist demonstrations, members of the NP have in the past exhibited anti-semitic sympathies, and stated that LUKE DOMMER mentioned above attended a meeting of the Fighting American Nationalists (FAN) which was held in New York City on December 4, 1960.

On August 2, 1962, a confidential source advised that the NP activities are openly anti-communist. However, this source stated, members of the NP have strong anti-semitic sympathies which they do not reveal openly since they feel disclosure of such sympathies would lose many supporters for the NP.

The above source further advised that the NP continues to join with other organizations in anti-communist demonstrations thereby giving the impression of having a greater membership than it actually has.

NATIONAL RENAISSANCE PARTY

RACIAL MATTERS

Supreme Court, Bronx, County, Bronx, New York, advised on August 16, 1963, that the following 8 persons were indicted by a Bronx County Grand Jury on charges advocacy of criminal anarchy, attempted riot, violation of Public Law 1897 (carrying firearms), and subdivisions of Public Law 3 and 8 (carrying weapons):

b6

b6
b7C

James H. Madole
10 West 90th Street
New York, New York

National Renaissance Party

~~Daniel Burros~~
152 West 42nd Street
New York, New York

The indictment, which was made available by [redacted] on August 16, 1963, reflects that the first of 5 counts in this indictment is advocacy of criminal anarchy. This charge is a violation set forth in the New York State Penal Code, Sections 160-164.

b6
b7C

The first count states the defendants, acting together, on or about July 13 and 14, 1963, by word of mouth, and through the use of literature, advised and taught the duty, necessity, and propriety of overthrowing the organized government by force and violence.

b6
b7C

[redacted] stated that the defendants advised detectives subsequent to their arrest that their purpose in passing out pamphlets and literature was to convince the public of their (National Renaissance Party) objectives, and after convincing the public, they would have the government adopt their resolutions. These resolutions, being in part, the deportation of the Negro from the United States, and the confiscation of property and property rights of the Jewish people.

b6
b7C

[redacted] stated that, in effect, the present form of government would never accept the principle of depriving groups of persons of their rights, as mentioned above, and that another form of government would have to exist before these resolutions could become a fact. A government as such, according to [redacted] could only come about through force and violence. Therefore, according to [redacted] the activities on the part of the defendants could be construed as criminal anarchy under the laws of New York State.

National Renaissance Party

b6
b7C

[redacted] advised the precedents he uses for this case is "People v. Gitlow", 195 Appellate Division, page 773, affirmed in 234 New York page 132.

The case "People v. Gitlow" was decided on April 1, 1921, where Gitlow, an owner and publisher of "The Revolutionary Age", a paper devoted to international Communist struggle was convicted of criminal anarchy under Sections 160-166 in the New York State Penal Law.

He published a manifesto advocated the overthrow of the government, State and National, not by constitutional means, but by revolution brought about by mass strike which must of necessity involve violence.

Both [redacted]

b6
b7C

[redacted] advised they did not expect the Grand Jury to issue a true bill on the anarchy count.

[redacted] stated, however, that although there was no evidence of a concrete nature supporting their charges on anarchy, he felt that their office had a good chance of success of prosecuting this case based on the precedents of the "People v. Gitlow" case.

On November 18, 1963, a confidential source, who has furnished reliable information in the past, advised that on Sunday, November 17, 1963, a meeting addressed by James H. Madole, leader of the National Renaissance Party (NRP) was held from 3:00 p. m. to 6:00 p. m. at the African Universal Church, 3802 Third Avenue, New York City, a Negro church. According to the source, Madole appeared at the invitation of the members of this church and was but one of the persons who appeared as speakers. In addition to Madole, the source advised that speakers included Bishop Addison, Negro clergyman, Mrs. C. C. Addison, who was dressed in nun's garb and who is the wife of Bishop Addison, William Hoff, self-identified as New York State representative of the National States' Rights Party (NSRP), and Doctor Josef Ben Jochannan, reportedly an authority on African history.

The source stated that the audience was made up of 35 to 40 Negroes and about 25 white people who in addition to Madole and [] mentioned above, included Dan Burros, [] the three of whom wore NRP uniforms,

[] Charles Smith, Mrs. Grace Madole.

[] former National Chairman of the Nationalist Party (NP), [] and Ernest Elmhurst.

The source stated that [] mentioned above, stated that the NP has completely disbanded and has been defunct for the past several months.

The source stated that Madole in his speech advocated strongly the separation of the black and white races and stated that the Negro was inferior to the white man. William Hoff in his speech echoed the sentiments of Madole.

Source stated that Mrs. Addison, mentioned above, followed Madole as a speaker and vigorously criticized Madole comparing him and his policies with Adolf Hitler and the Nazi Party. Bishop Addison also spoke in criticism of speeches by Madole and Hoff which called for the separation of the races. According to the source, there was no incidents resulting from the above meeting.

Characterizations of the NRP, NSRP, and NP are attached hereto and the sources mentioned therein have furnished reliable information in the past.

National Renaissance Party

1. NATIONALIST PARTY

On June 28, 1963, Detective TONY ULASEWICZ, Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that the Nationalist Party (NP) was formed on September 21, 1961, and although it has no actual headquarters, continues to maintain a "mail drop" at 507 Fifth Avenue, New York City.

~~Detective ULASEWICZ further advised that although LUKE DOMMER has no official title as an officer of the NP, he in actuality controls the activities of the NP.~~

Detective ULASEWICZ stated that even though activities of the NP consist of anti-communist demonstrations, members of the NP have in the past exhibited anti-semitic sympathies, and stated that LUKE DOMMER mentioned above attended a meeting of the Fighting American Nationalists (FAN) which was held in New York City on December 4, 1960.

On August 2, 1962, a confidential source advised that the NP activities are openly anti-communist. However, this source stated, members of the NP have strong anti-semitic sympathies which they do not reveal openly since they feel disclosure of such sympathies would lose many supporters for the NP.

The above source further advised that the NP continues to join with other organizations in anti-communist demonstrations thereby giving the impression of having a greater membership than it actually has.

National Renaissance Party

1. NATIONAL RENAISSANCE PARTY

On May 9, 1962, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report, dated December 17, 1954, stated, "National Renaissance Party activities and propaganda are clearly subversive and un-American."

National Renaissance Party

1. NATIONAL STATES RIGHTS PARTY (NSRP)

On November 28, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issues Number 19, dated June, 1960, "The Thunderbolt", announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana to Post Office 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted] of the NSRP, is the individual who "runs the NSRP." J.Y.

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

Re:National Renaissance Party
Re: Racial Matters

On December 13, 1963, a source with whom contact has been insufficient to determine his reliability furnished information that at 3:00 p.m. on Sunday, December 15, 1963, James H. Madole, leader of the National Renaissance Party (NRP), was scheduled to appear as one of the speakers on "a panel of black and white segregationist leaders" who were going to speak on the "hidden facts behind the struggle for Negro equality".

The place listed for Madole's appearance on December 15, 1963, was the African Universal Church, 3802 Third Avenue, Bronx 57, New York.

Also listed as speakers with Madole were Archbishop Clarence C. Addison, "foremost black segregationist leader in the United States"; Dr. Mosef Ben Johannan, graduate of Cambridge University, "leading exponent of black nationalism"; James Thorhill, Vice President of African Nationalists, Incorporated, "leader in the fight against exploitation of blacks by Jewish merchants and slum lords".

According to the source, the topic of Madole's speech was to be "a United Nationalist Front Against Race Mixing and Domestic Communism".

On December 16, 1963, this same source advised that the aforementioned panel discussion took place as scheduled and lasted from 3:00 p.m. to approximately 5:00 p.m.

This document contains neither
recommendations nor conclusions
of the FBI. It is the property
of the FBI and is loaned to your
agency; it and its contents are
not to be distributed outside
your agency.

Racial Matters

The source stated Madole's speech consisted of heavy criticism of the Jews who through passage of the Federal Reserve Act and Income Tax law gained complete control over the operations of the United States Government. Madole advocated also the separation of the white and black races.

The other speakers, according to the source, were identified with the African Nationalist movement and advocated that the United States Government should pass legislation to give them grants of money so they might return to Africa and establish their own government.

The source further stated that the speeches of the others, aside from Madole, were illogical and difficult to understand.

The source stated there were approximately 40 people in attendance about evenly divided between white and Negro.

A characterization of the National Renaissance Party (NRP), is attached hereto and the source mentioned therein has furnished reliable information in the past.

It was founded in 1949, by James H. Madole, who is complete control of the party. The party's main function is distribution of the National Renaissance Bulletin on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the National Renaissance Party (NRP) is located in the residence of James H. Madole, 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated National Renaissance Party (NRP) activities and propaganda are clearly subversive and un-American.

On January 21, 1964, a confidential source who has furnished reliable information in the past, advised that on Sunday, January 19, 1964, from 3:00 pm to 7:00 pm, a "rally to support racial segregation and black nationalism" was held at the African Universal Church, 3802 Third Avenue, Bronx, New York, with about 20 white people and 25-30 Negroes in attendance, with about 12 of the latter group being children of grammar school age.

Among the whites in attendance were: James H. Madole, leader of the National Renaissance Party (NRP); his mother, Grace X Madole; Dan Burros and [redacted] both of whom wore khaki uniforms with NRP insignia; [redacted] for James H. The source stated that the following spoke:

Archbishop Clarence C. Addison, "foremost black segregationist in America" and his wife, Mrs. Addison; Dan Burros, NRP member; James H. Madole, NRP leader; and John Graves, attorney for James H. Madole.

The speeches consisted of anti-Semitic attacks on "Jew-dominated organizations": which were seeking "to destroy and mongrelize both the black and white races" and also urged those in attendance to support racial segregation and black nationalism.

[redacted] called the pending trial of James H. Madole and his followers "nonsense" and stated that black nationalists will testify at Madole's trial to show that segregationists are not un-American.

It is noted that 8 individuals associated with the NRP were arrested by the New York City Police Department on July 14, 1963, and were subsequently indicted by the Bronx County Grand Jury on charges of advocating criminal anarchy, attempted riot, violation of Public Law 1897 (carrying firearms), and subdivisions of Public Law 3 and 8 (carrying weapons.)

AMERICAN NAZI PARTY OF THE WORLD

GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leaders," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL'S party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP - WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by ADOLF HITLER. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP, although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that GEORGE LINCOLN ROCKWELL has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the Swastika and at being labeled as a Nazi.

The Party's main function is distribution of the National Renaissance Bulletin on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The Un-American Activities Committee of the United States House of Representatives in a preliminary report dated December 17, 1954, stated, "NRP activities and propaganda are clearly subversive and un-American."

APPENDIX

AMERICAN NAZI PARTY
OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL
SOCIALISTS, ALSO KNOWN AS THE
GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time the World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leader," a Richmond, Virginia daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia on February 26, 1959 as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature, and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP although it has never been a separate organization. The source said the

APPENDIX

AMERICAN NAZI PARTY (Cont'd.)

FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that George Lincoln Rockwell has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, [redacted] the
admitted [redacted] of the FAN group in [redacted]
advised that the Baltimore FAN, which was organized in the
Spring of 1961, has no official connection with the ANP although
until December, 1962, it received all its literature from
George Lincoln Rockwell's ANP.

b6
b7C

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and the truth about the Party"; third, "organizing the people who have been converted to our propaganda" and fourth, "the attainment of power through the votes of the newly-won masses."

APPENDIX

NATIONAL RENAISSANCE PARTY (NRP)

On April 2, 1959, a source who has furnished reliable information in the past advised that the NRP was an anti-Semitic, anti-Negro, neo-fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the National Renaissance Bulletin on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The Un-American Activities Committee of the United States House of Representatives in a preliminary report dated December 17, 1954, stated, "NRP activities and propaganda are clearly subversive and un-American."

Title: NATIONAL RENAISSANCE PARTY

Character: INTERNAL SECURITY-X;
RACIAL MATTERS

Synopsis: JAMES H. MADOLE, leader of National Renaissance Party (NRP), continues to maintain NRP headquarters at residence 10 West 90th Street, New York City. MADOLE and seven others indicted by Bronx County Grand Jury, Bronx, New York, August, 1963, on charges of advocating criminal anarchy, attempted riot, carrying firearms and carrying weapons. Charge of attempted riot dismissed and new indictment charging riot returned December, 1963. Trial currently set for March 30, 1964. Sources advised very little NRP activity since summer of 1963, except for three speeches by MADOLE at African Universal Church, Bronx, New York, 11/63, 12/63, and 1/64. MADOLE in speeches advocated separation of white and black races. Partial contents of various pieces of literature printed by NRP of anti-Negro and anti-Semitic nature set forth. July-October, 1963, issue of "National Renaissance Bulletin" official organ of NRP carries MADOLE's statement "it is impossible for any honest American patriot to defend his own race and nationality adequately without being violently anti-Jewish". August 15, 1963, issue of "Intra-Party Confidential Newsletter" published by the American Nazi Party (ANP) referred to NRP members arrested in July, 1963, as "being unjustly persecuted".

I. LOCATION OF NATIONAL RENAISSANCE
PARTY (NRP) HEADQUARTERS

On November 8, 1963, NY T-1 advised that JAMES H. MADOLE, leader of the NRP, continues to reside at 10 West 90th Street, New York City, which address also serves as NRP headquarters.

A characterization of the NRP is contained in the appendix of this report.

On December 31, 1963, NY T-2 advised that a meeting was recently held in New Paltz, New York, which was attended by [redacted] of the American Nazi Party (ANP); [redacted] of the National States Rights Party (NSRP) and JAMES H. MADOLE and [redacted] of the NRP. According to the source about fifteen people in all attended this meeting, the exact time and place of which was unknown to the source. [redacted]

b6
b7C

NY T-2 advised that the purpose of the meeting was to discuss the purchase of a farm which would be used as headquarters for all racial organizations and where MADOLE and others would reside. The source stated that MADOLE has frequently expressed a desire to get out of New York City.

The source was unable to furnish the location of the farm mentioned above.

Characterizations of the ANP and NSRP are contained in the appendix of this report.

On January 23, 1964, NY T-3 advised that a usually reliable source had reported to him on January 3, 1964, that the NRP, the ANP and other unidentified racist groups plan to consolidate all groups under the leadership of JAMES MADOLE of the NRP and plan to buy property in the Newburgh, New York, area in order to hold meetings and conduct training there. NY T-3 was unable to furnish any more specific information.

NY 105-6112

On March 20, 1964, [redacted]
Bureau of Special Services, New York City Police
Department, advised that apparently plans for MADOLE
to move out of New York City have fallen through and
he continues to maintain NRP headquarters at his residence,
10 West 90th Street, New York City.

II. INDICTMENT OF NRP MEMBERS

On August 16, 1963, [redacted],
[redacted] Supreme Court, Bronx County, Bronx, New
York advised Special Agent (SA) FRANK BYDLON that the
following eight individuals were indicted by the Bronx
County Grand Jury on charges of advocating criminal
anarchy, attempted riot, violation of public law 1897
(carrying firearms) and sub divisions of public law 3

The indictment which was made available by [redacted] to SA BYDLON on August 16, 1963, in the first count, states that the defendants, acting together, on or about July 13, and 14, 1963, by word of mouth and through the use of literature, advised and taught the duty, necessity and propriety of overthrowing the organized government by force and violence.

b6
b7C

The defendants reportedly advised detectives subsequent to their arrest, that their purpose in passing out pamphlets and literature was to convince the public of their (NRP) objectives and after convincing the public, they would have the government adopt their resolutions. These resolutions, were in part, the deportation of the Negro from the United States and the confiscation of property and property rights of the Jewish people.

[redacted] mentioned above, advised SA BYDLON that a government adopting such resolutions could only come about through force and violence and therefore, according to [redacted] the activities on the part of the defendants could be construed as criminal anarchy under the laws of New York State.

b6
b7C

On January 9, 1964, [redacted] Bureau of Special Services, New York City Police Department advised that on a motion made by the attorneys for the aforementioned eight defendants, the charge of attempted riot was dismissed in the New York State Supreme Court and on December 16, 1963, a new indictment was returned against all the defendants charging them with riot under Section 2090 of the Penal Law of the State of New York.

III. ACTIVITIES OF THE NRP

On November 8, 1963, NY T-1 advised that since his arrest during the summer of 1963, MADOLE has held no public meetings of any type and has had very little activity.

On November 18, 1963, NY T-4 advised that on Sunday, November 17, 1963, a meeting addressed by JAMES H. MADOLE, NRP leader, was held from 3:00 PM to 6:00 PM at the African Universal Church, 3862 Third Avenue, Bronx, New York, a Negro church. According to the source MADOLE appeared at the invitation of the members of this church and was one of the persons who appeared as speakers.

NY 105-6112

Mrs. Clarence C.

In addition to MADOLE, the source advised that speakers included Bishop ADDISON, Negro clergyman, Mrs. C. C. ADDISON who was dressed in nun's garb and who is the wife of Bishop ADDISON, WILLIAM HOFF, self-identified New York State representative of the NSRP, and Doctor JOSEF BEN JOCHANNAN, reportedly an authority on African history.

The audiences consisted of about 35 to 40 Negroes and about 25 white people.

In his speech MADOLE advocated strongly the separation of the black and white races and stated that the Negro was inferior to the white man.

On December 11, 1963, NY T-1 made available a mimeographed sheet captioned "Mass Rally to Support Racial Segregation and Black Nationalism". This rally was scheduled to be held at the African Universal Church, previously mentioned, and JAMES H. MADOLE, NRP leader was to speak on "A united national front against race mixing and domestic communism".

On December 16, 1963, NY T-5 advised that JAMES H. MADOLE appeared as a speaker at a panel discussion at the African Universal Church, Bronx, New York, on December 15, 1963.

NY T-5 stated that MADOLE's speech consisted of heavy criticism of the Jews who he stated, through passage of the Federal Reserve Act and Income Tax Law, have gained complete control over the operations of the United States Government. MADOLE also advocated complete separation of the white and black races.

NY T-5 stated that other speakers at this meeting were identified with the African Nationalist movement and advocated that the United States Government should pass legislation to give them grants of money so that they might return to Africa to establish their own government.

NY 105-6112

NY T-5 stated that there were about forty people in attendance at this meeting evenly divided between white and Negro.

On January 21, 1964, NY T-4 advised that on Sunday, January 19, 1964, from 3:00 PM to 7:00 PM a rally to support racial segregation and black nationalism was held at the African Universal Church, Bronx, New York. There were about 25 white people and 25 to 30 Negroes in attendance, with about 12 of the latter group being children of grammar school age. Included among the speakers in addition to JAMES H. MADOLE, NRP leader, were Archbishop CLARENCE C. ADDISON "foremost black segregationist in America", and [REDACTED] for JAMES H. MADOLE. *negro* *7-4*

b6
b7C

The source stated that the speeches consisted of anti-Semitic attacks on "Jew-dominated organizations" which were seeking "to destroy and mongrelize both the black and white races" and also urged those in attendance to support racial segregation and black nationalism.

On March 20, 1964, [REDACTED] stated that NRP activities since MADOLE's arrest in July, 1963, have been confined to the aforementioned appearances of MADOLE at African Universal Church, Bronx, New York.

b6
b7C

IV. NRP LITERATURE

On August 16, 1963, [REDACTED]

[REDACTED] furnished the following pieces of literature, all of which bear the notation of the NRP, 10 West 90th Street, New York City, and all of which he received unsolicited through the mails:

b6
b7C

Pamphlet captioned "Who is the Real Enemy?"

NY 105-6112

According to this pamphlet the Jews strive for complete control of the press, radio, motion picture and television industries so that they can bring about complete enslavement of the white race. The pamphlet states that if "white Gentiles are to save themselves from being herded to the slaughter like docile sheep the time is long overdue to organize against our real enemy". The pamphlet goes on to state that if we do not recognize the Jew as our enemy "our race of people will disappear from the earth".

A leaflet captioned "Join NAACP Today". This pamphlet ridicules the National Association for the Advancement of Colored People (NAACP) and states that the "Jews push integration" and that the Communist Party (CP) is behind "race mixing".

A leaflet captioned "Blacks Seen Drowning in Own Tears of Self-Pity", which is authored by one MARY WINSLOW CHAPMAN. This pamphlet states that the Negro, rather than helping himself to advance like the white man did thousands of years ago, is a "parasite" seeking everybody's pity.

A pamphlet captioned "Youth Movements". This pamphlet states that all youth movements calling for the mixing of Negro and white children, established by Jewish, Christian, political and labor organizations are for the purpose of destroying "the civilized world for communism by mating your White innocent with the loathsome Negro".

On September 18, 1963, [REDACTED] Grey Advertising Incorporated, 430 Park Avenue, New York 22, New York, made available the May-June, 1963, issue of the "National Renaissance Bulletin", official organ of the NRP, which he stated he had received anonymously and unsolicited through the mails.

b6
b7C

This issue contains an article by JAMES H. MADOLE in which he states that "America is suffering internally from a cancerous disease known as 'liberal democracy' and the deadly bacilli which spread this evil contagion are classified as Jews".

NY 105-6112

On November 18, 1963, NY T-1 made available the June, 1963, issue of the "SE Guard" official publication of the Security Echelon (SE) of the NRP. This issue devotes itself to praising the SE which "covered itself with glory" in battling the press of the Jewish War Veterans who reportedly attacked JAMES H. MADOLE during an NRP street rally held on May 25, 1963, in the Yorkville Section of New York City.

On November 18, 1963, NY T-1 made available the July-October, 1963, issue of the "National Renaissance Bulletin". In this issue, JAMES H. MADOLE refutes the statement of "ISIDORE DOLLINGER, the Jewish District Attorney of Bronx County"..."that NRP members distribute literature which calls for the extinction and deportation of various minority groups."

MADOLE goes on to state that the NRP has never advocated the extinction of any racial minority group either in its program, its literature or by word of mouth. According to MADOLE the "major Jewish organizations are using DOLLINGER to legally harass the NRP."

In the same issue MADOLE states "Western Civilization was transplanted from Europe to the North American wilderness in 1492, by Nordic and Anglo-Saxon people. Our nation owes no part of its racial heritage to African aborigines or Jewish usurers. Basically the influence of America's Jewish community has been placed in the service of breaking down all racial barriers and flooding our nation with non-assimilable, culturally alien minority groups. For this reason all NRP members are forced into the position of total hostility towards Jewish goals and ambitions. It would be impossible for any honest American patriot to defend his own race and nationality adequately without being violently anti-Jewish."

This issue of the National Renaissance Bulletin also states that the racial nationalist realizes that a cultural gap of 200,000 years exists between the black and white races.

NY 105-6112

V. CONNECTION WITH OTHER ORGANIZATIONS

On August 20, 1963, NY T-6 advised that the August 15, 1963, issue of the "Intra-Party Confidential Newsletter" a publication of the ANP, 928 North Randolph Street, Arlington, Virginia, points out that JAMES H. MADOLE and several members of the NRP were recently arrested in New York City and "although we are in sharp disagreement with the NRP on ideological and tactical points, we will never hesitate to go to bat for any fighters for the white race when they are being unjustly persecuted".

AMERICAN NAZI PARTY,
NEW YORK (ANP, NY)

On June 13, 1963, a source advised that [redacted]
[redacted] had been designated by GEORGE LINCOLN ROCKWELL,
leader of the American Nazi Party (ANP), Arlington,
Virginia, to establish in New York City the American
Nazi Party, New York (ANP, NY).

b6
b7C

According to the source the ANP, NY, will promote,
in the New York City area, the policies of the ANP which call
for the migration of Negroes to Africa and the trial and
execution of all Jews guilty of Communist and Zionist
treason.

On December 12, 1963, the above source further
advised that the ANP, NY, which formerly had its headquarters
in the basement of 214 East 85th Street, New York City, had
established new headquarters in apartment 2W, 319 East 93rd

AMERICAN NAZI PARTY OF THE WORLD
UNION OF FREE ENTERPRISE NATIONAL
SOCIALISTS, ALSO KNOWN AS THE
GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leaders," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL'S party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP - WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by ADOLF HITLER. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP, although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that GEORGE LINCOLN ROCKWELL has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the Swastika and at being labeled as a Nazi.

12 13

2.APPENDIXAMERICAN NAZI PARTY OF THE WORLD
UNION OF FREE ENTERPRISE NATIONAL

GEORGE LINCOLN ROCKWELL PARTY

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, [redacted] the admitted [redacted] of the FAN group in [redacted] [redacted] advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP, although until December, 1962, it received all its literature from GEORGE LINCOLN ROCKWELL'S ANP.

b6
b7C

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and the truth about the party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "the attainment of power through the votes of the newly-won masses."

NATIONAL RENAISSANCE PARTY

On July 16, 1963, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949, by JAMES H. MADOLE, who is in complete control of the party. The party's main function is distribution of the National Renaissance Bulletin on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of JAMES H. MADOLE, at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated NRP activities and propaganda are clearly subversive and un-American.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the "United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "Official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jefferson, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt", announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 738, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted] of the NSRP, is the individual who "runs the NSRP".

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

Dear Mr. Hoover:

I am writing to inform you, on behalf of both myself and a small group of Villanova University students, of several unsolicited mailings from the National Renaissance Party. These mailings represent extremist views and, in my opinion, are designed to create "hate groups" among American college students.

I have received them in my capacity as [Redacted] at Villanova. The others who have received them (about three to six mailings, as far as I know) are also prominent in student activities and among their fellow classmates. Generally speaking, they hold offices of influence and respect. They have echoed the same sentiments of disgust and displeasure over the contents of the mailings as I have and am doing now.

The mailings themselves are violently anti-negro, anti-jewish, and anti-catholic. I personally have disregarded them, but I have no way of knowing whether others might be seriously influenced by them, or the sentiments they express.

I would ask that you inform me of any way to discontinue these mailings. All have been postmarked in New York City and have no return address on them. If you can offer me any suggestions concerning this matter, I would appreciate them. Also, if I can be of any further help to yourself, please feel free to call upon me.

It was founded in 1949, by JAMES H. MADOLE, who is in complete control of the party. The party's main function is distribution of the National Renaissance Bulletin on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of JAMES H. MADOLE, at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated NRP activities and propaganda are clearly subversive and un-American.

RACIAL MATTERS

Reference is made to the investigation concerning the above-captioned organization.

The New York Office has advised that eight individuals connected with the above-captioned organization were convicted of incitement to riot, a felony, by a Supreme Court Jury, Bronx, New York, on June 10, 1964.

Included among the individuals convicted was James H. Madole founder of captioned organization. Inasmuch as Madole has been sentenced to not less than one year and not more than two years in State Prison and captioned organization reportedly was under his complete control, it appears that the National Renaissance Party would no longer be an active hate-type organization.

New York advise Bureau the status of the National Renaissance Party. If this group is still active, inform Bureau as to its leadership and activity.

Dear Mr. Hoover:

I would like to draw your attention to the piece of enclosed "hate" literature that I received yesterday due to a letter I had in the paper decrying bigotry. I know that your wonderful organization is well aware of these communist-type organizations but I do believe something should be done about sending such through the mails.

As a combat veteran of WW II who spent two years in a German PW camp I am well acquainted with the sick souls who peddle such vulgarities. It is sad that I have no defense against the receipt of such.

Again, thank you for what you can do.

It's sensitive mind no longer sensitive but ape like? It's beautiful body no longer beautiful but black and evil smelling?

A few drops of negro blood in your child's veins and it could have a coal black negro baby.

The blood in your White child is the most precious thing on earth (civilizations are built upon it) and many evil minded men know this to be a fact. They have organized into groups to "get" this blood away from you.

Some foolish Christians tell you it is God's will -- as if God who aims at the beautiful, the good, and intelligent, would want to destroy and dirty his loveliest gifts.

These evil men have organized child movements and camps to further their evil designs. Some of these camps are Jewish, some Christian, some political, some union. All pose as democracy in action and the object of all is to get your White child's blood.

People only go after what is better than they have and never hunt something inferior to what they possess.

Remember it is always grown people "adults" who operate these camps. Adults with a queer bent who could never prey upon a grown person but must have the tender, innocent, unsuspecting mind of your child with which to do their evil work.

Scientists claim that such adults who are unduly attracted to White children and wish to mix them with negroes are suffering from a Freudian Complex that gives them a sex thrill at the very thought of mating your lovely child with the evil ape like body of the negro.

ReNYlet to Director, dated 9/29/64.

Relet advised the Bureau that inasmuch as all activities of the National Renaissance Party (NRP) had ceased and it appeared unlikely that it would ever be reactivated, there would be no further investigation of the NRP by the NYO.

For the information of the Bureau, the NYO has re-opened captioned case because it appears that JAMES H. MADOLE, former leader of the NRP, might be attempting to reactivate the NRP.

OF SUBJECT ORGANIZATION

In connection with this possible reactivation, it is noted that the NYO is in receipt of hate-type literature bearing the return address of JAMES H. MADOLE, 10 West 90th Street, NYC, which literature had been mailed unsolicited to numerous individuals. This literature is self-identified as being published by the NRP and it is identical with the literature utilized by the NRP for the past two to three years.

It is further noted that [redacted] is currently attending social gatherings or informal meetings at MADOLE's residence, 10 West 90th Street, NYC. According to information being furnished by [redacted] MADOLE is attempting to reactivate the NRP.

The NYO has re-opened a case file on [redacted] who is still believed to be the [redacted] MADOLE's residence. [redacted] will be recontacted with a view to developing her as a [redacted] in connection with the activities of MADOLE and also the NRP.

NATIONAL RENAISSANCE PARTY

On July 16, 1963, a source stated that the National Renaissance Party (NRP) is an anti-semitic, anti-Christian, anti-Negro, and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949, by JAMES H. MADOLE, who is in complete control of the party. The party's main function is distribution of the National Renaissance Bulletin on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of JAMES H. MADOLE at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated NRP activities and propaganda are clearly subversive and un-American.

On July 30, 1964, [redacted] Bureau of Special Services, New York City Police Department, advised that all activities of the NRP have ceased and apparently will not resume for some time since JAMES H. MADOLE is presently serving a two year sentence imposed on him on July 16, 1964, on a charge of riot.
